Dear Mr. President,

Congratulations on your victory! The results of GatorPAC's 2017 Drain the Swamp priorities survey are in! We surveyed over 350,000 GatorPAC activists between January 4 - 7, 2017, and they responded immediately because they want to help you Drain the Swamp in Washington D.C. Here are the issues they want you to focus on, and how important each is to THEM:

- Priority 1 – Repeal ALL of Obamacare including the taxes it implemented.
- Priority 2 – Build the wall on our Southern Border.
- Priority 3 – Exit the United States of America from the United Nations.
- Priority 4 – Rebuild our Armed Forces and Defeat ISIS.
- Priority 5 – Establish Term Limits for the United States Congress.
- Priority 6 – Eliminate job-killing regulations.
- Priority 7 – Fix the Veterans Administration.
- Priority 8 – Fix the Tax Code.
- Priority 9 – Abolish the Internal Revenue Service.
- Priority 10 – Balance the budget.

GatorPAC activists will continue to monitor our Nation's progress and actively support you in the effort to Make America Great Again. The grassroots is highly energized because of your fabulous sacrifice for our Nation and we stand ready to help you with addressing these issues as rapidly as possible.

Very respectfully your obedient servant,

Colonel Rob Maness, USAF ret.
